2010 Recruit a Volunteer - Earn Rewards

In addition to the new SCCA New Club Racing Volunteer and Club Racing Volunteer Participation Incentives, recruit a new volunteer who works two days and you become eligible to participate in Volunteer Rewards. When this same Volunteer returns to volunteer additional days; Earn \$20 for each two days up to a maximum of \$60 in rewards. New recruits can be used in both the SCCA National program and this Chicago/Milwaukee program.

1. You begin to earn credits after your new volunteer works two full days of a Specialty. A full day is defined as working more than 90% of the available hours within a single day per the requirements of that specialty. Volunteers are encouraged to work more than one specialty, but not concurrently.
2. Volunteers are defined as people working a staffed specialty (Race Chairman, Registration, Grid, Pits, Tech Inspection, Flagging & Communications, Guest Services / Driver Information, Paddock, Radio Tech, Sound Control, Start, Rescue, Course Marshal, and Timing & Scoring) at a Chicago or Milwaukee club race or any staffed specialty at the following Pro or Vintage events: ALMS, the Kohler International Challenge (KIC) and RA 200. Please contact the regions to determine which specialties are staffed for each event.
3. This program is open to any Chicago or Milwaukee region of record member.
4. New volunteers are defined as either not having had a membership in SCCA Prior to April 1, 2010, or as having had their membership lapse for one year or more.
5. After your new volunteer completes each day at the track, ask the designated Chief of the Specialty he/she worked to sign off on the attached credit submission card. If you are the Specialty Chief, ask either the Race Chairman or Regional Executive sign off on your card. At the end of each race weekend, the Chief of each Specialty will provide a list of all signed cards within their Specialty for that weekend to either the Race Chairman or Regional Executive. This log will be retained by the Region and is for reference only. **It is YOUR responsibility to submit your completed credit submission card to the Region. Cards must be received by the region by November 20, 2010.** Completed cards may be mailed or will be accepted at the track. **Late submissions will not be accepted.**
